DECISION AND ORDER  
  
DOCKET NO.

DECISION

The Federal Trade Commission (“Commission”) initiated an investigation of certain acts and practices of the Respondent named in the caption. The Commission’s Bureau of Consumer Protection (“BCP”) prepared and furnished to Respondent a draft Complaint. BCP proposed to present the draft Complaint to the Commission for its consideration. If issued by the Commission, the draft Complaint would charge the Respondent with violations of the Federal Trade Commission Act.

Respondent and BCP hereafter executed an Agreement Containing Consent Order (“Consent Agreement.”) The Consent Agreement includes statements by Respondent that neither admits nor denies any of the allegations in the Complaint, except as specifically stated in this Decision and Order and that only for purposes of this action admits the facts necessary to establish jurisdiction; and waives and other provisions as required by the Commission’s Rules

The Commission considered the matter and determined that it had reason to believe that Respondent has violated the Federal Trade Commission Act, and that a Complaint should issue stating its charges in that respect. The Commission accepted the executed Consent Agreement and placed it on the public record for a period of 30 days for the receipt and consideration of public comments. The Commission duly considered any comments received from interested persons pursuant to Section 2.34 of its Rules, 16 C.F.R. § 2.34. Now, in further conformity with the procedure prescribed in Rule 2.34, the Commission issues its Complaint, makes the following Findings, and issues the following Order:

7. The disclosure must comply with these requirements on each medium through which it is received, including all electronic devices and face-to-face communications.
  8. The disclosure must not be contradicted or mitigated by, or inconsistent with, anything else in the communication.
  9. When the representation or sales practice targets a specific audience, such as children, the elderly, or the terminally ill, "ordinary consumers" includes reasonable members of that group.
- B. "Made in the United States" means any representation, express or implied, that a product or service, or a specified component thereof, is of U.S. origin, including, but not limited to, a representation that such product or service is "made," "manufactured," "built," "produced," or "crafted" in the United States or in America, or any other U.S.-origin claim.
  - C. "Product or Service" means any good or service, including any plan or program.
  - D. "Respondent" means Instant Brands LLC, its successors and assigns, and any joint ventures, subsidiaries, divisions, groups, and affiliates it controls, directly or indirectly.
