Chairman Bilirakis, Ranking Member Schakowsky, and members of the Subcommittee, thank you for this opportunity to discuss the important work of the Federal Trade Commission. ~~As I have learned~~

our most important
and professional s
dedicated to the
protecting our free
people is, ultimate

I have not hesitated to oppose my colleagues when I believe they are leading the Commission in

media platforms were knowingly violating their terms of services when they deplatformed customers in 2020. And although it lies outside of our jurisdiction, the practice of de-banking by large U.S. banks cries out for regulatory and congressional scrutiny for the same reason.
