Re: Unsubstantiated claims for Coronavirus prevention and treatment

To Whom It May Concern:

This is to advise you that staff of the United States Federal Trade Commission, the national consumer protection agency, has reviewed your website at <https://www.spooky2scalar.com/> April 2020. We also reviewed your social media website at <https://www.facebook.com/spooky2scalar>, where you promote the sale of your Spooky2 Scalar product. We have determined that you are unlawfully advertising that certain products treat or prevent Coronavirus Disease 2019 (COVID-19).

:

- 
- o In a post on February 29, you state: "Discover how Spooky2 Scalar /282 aa<sup>3</sup>#! Y& •

---

Yourself From Coronavirus 2019 (COVID-19) Using Spooky2 Scalar," where you state: "The COVID-19 is a new coronavirus that has not been previously identified...Now, the 2019-nCoV is rampaging through many countries, leaving a path of illness and death...For scalar users, you can reduce the risk of getting or spreading infection by reducing outdoor activities, keeping

study is currently known to exist for the product identified above. Thus, any coronavirus related prevention or treatment claims regarding such products are not supported by competent and reliable scientific evidence. You must immediately cease making all such claims for products that you advertise and market, sell, or otherwise promote or make available in the United States.

You are also advised to review all other claims for such products and immediately cease making claims that are not supported by competent and reliable scientific evidence.

Within 48 hours, please send a message to [COVIDTaskForce@ftc.gov](mailto:COVIDTaskForce@ftc.gov) describing the specific actions you have taken to address the FTC's concerns.

Very truly yours,

Richard A. Quaresima  
Acting Associate Director  
Division of Advertising Practices
