studies, substantiating that the claims are true at the time they are made. For COVID-19, no such study is currently known to exist for the product identified above. Thus, any coronavirus-related prevention or treatment claims regarding such product are not supported by competent and reliable scientific evidence. You must immediately cease making all such claims.

You are also advised to review all other claims for your products or services and immediately cease making claims that are not supported by competent and reliable scientific evidence.

Within 48 hours, please send a message to Assistant Director Jim Elliott via electronic mail at jelliott@ftc.gov describing the specific actions you have taken to address the FTC's concerns. If you have any questions regarding compliance with the FTC Act, please contact Reid Tepfer at rtepfer@ftc.gov.

Very truly yours,

Dama J. Brown
Regional Director, Southwest Region
Federal Trade Commission
